Halton Healthcare's vision of Exemplary patient experiences, always, goes beyond just the patient experience; it has shaped our entire culture and remains at the core of every interaction in our organization, from our patients & families to our staff, physicians and volunteers. We believe in exemplary PEOPLE experiences always!

At Halton Healthcare you will thrive in a healthcare culture and environment that embraces inclusion, diversity and belonging with 'exemplary patient care, always' at the heart of everything we do.

We empower our people to be the very best they can be so they can make a difference for our patients and the communities we serve.

Halton Healthcare takes great pride in providing quality, compassionate healthcare services to our rapidly growing communities. As a progressive and vibrant healthcare organization, we are committed to being an innovative center of excellence in community hospital care.

Overview

Under the direction of the Rehabilitation Clinics Manager, or designate, the successful candidate will be responsible for providing Aquafit classes suited to meet the needs of the program participants that is fun, safe and technically sound to meet the objectives and goals of the program. This is a unique opportunity to work at state of art the hospital while providing a much needed service to the Oakville Community.

This is what you'll be doing:

- Lead the designated class in a professional manner and create a safe and enjoyable climate.
- Plan and implement an aquatic exercise class to meet the needs of all participants
- Provide group exercise instruction and supervision while effectively ensuring the safety of all participants. (permission to work at own pace, monitor heart rate throughout the class).
- Be ready to start the class at the advertised start time and finish within the allotted time.
- Maintain excellent public relations when dealing with all customers and share information about the program (as provided) to class participants.
- Provide information only in your area of expertise.
- Effectively and in a timely manner communicate any issues/ information that could impact the quality and safe delivery of the program to the manager on duty or your direct supervisor.
- Attend and participate in training and staff meetings as required.
- Perform emergency procedures as required.
- Read, understand and abide by all Halton Healthcare's standards, Corporate Policies and Procedures, including the Human Resources Policies and respecting Employee Conduct, Health and Safety and Freedom of Information.
- Perform other related duties as assigned

This is what you'll need to do it:

Halton Healthcare endeavors to hire individuals who are competent in their chosen profession and who exemplify our mission, vision and values of accountability, respect and compassion which guide our individual behaviours and attitudes.

- a current CALA (Canadian Aquafitness Leaders Alliance), AEA (Aquatic exercise Association), Water Art, or certification program that meets the NFLA standards or equivalent
- Current 565 approved Emergency First Aid/CPR B.
- A National Lifeguard Service (NLS) and Lifesaving Society Swim and Instructor certification is an asset.
- Experience working with seniors or older adult population an asset.
- Experience leading exercise programs or group classes.
- Good communication skills, warm friendly personality, superior customer service skills.

Internal Applications Due By: September 6, 2022

Please apply if you are passionate about what you do, motivated by a job well done, and as committed to excellence, quality and patient satisfaction as we are. Please submit your application via our website at **www.haltonhealthcare.com** directly to this posting and include a current copy of your resume.

We thank all those who apply but only those individuals selected for further consideration will be contacted.

In accordance with Directive #6, Halton Healthcare has implemented a COVID-19 Vaccination and Management Policy. All new hires must be fully compliant with our Policy as a condition of employment with Halton Healthcare. Successful applicants will be required to provide proof of vaccination or proof of a documented medical exemption as part of the hiring process.

In accordance with the Accessibility for Ontarians with Disabilities Act and the Ontario Human Rights Code, Halton Healthcare will provide accommodations throughout the recruitment and selection process. If you require an accommodation, we will work with you to meet your accommodation needs to ensure your equal participation. All personal information is collected under the authority of the Freedom of Information and Protection of Privacy Act.

Halton Healthcare is a smoke free facility in and around all three sites. Smoking is not permitted on hospital properties. We thank everyone who works at or visits our hospitals for respecting this healthy initiative. We are also a scent-free environment for all employees and visitors to accommodate individuals' health concerns arising from exposure to scented products. We ask for everyone's cooperation in our efforts to accommodate health concerns.
