

Challenging to Gentle Intensity Water Running With Core Conditioning & Dynamic Stretch

Hosted by City of Mississauga at Malton Community Centre

*Registration through City of Mississauga - **BAR CODE: 728058***

WORKSHOP DESCRIPTION: Invite everyone to choose the level of intensity that suits their needs, their energy level and their goals. Introduce a diverse vertical water training session using water running as the base move. Add carefully constructed core exercises that target all four abdominals, the pelvic floor and the multifidus using cues that motivate participants. Complete the class with a dynamic stretch formula that releases muscle tension, improves body awareness and leaves participants with a 'feel good finish'.

WHERE: Malton Community Centre, 3540 Morning Star Drive, Mississauga, ON L4T 1Y2
