

## CALA FOUNDATIONS OF VERTICAL WATER TRAINING Pre-Requisite COURSE

Hosted by **Waterville and Greenwood, NS May 10-12 2019**

The Canadian Aquafitness Leaders Alliance provides **top-notch training** and access to up-to-date information for fitness professionals in one on one and group settings. This Foundations of Vertical Water Training course sets the stage for leaders, coaches, post rehabilitation specialists, athletes and personal trainers to learn how to use water effectively in the design and the delivery of **safe, productive and innovative water training sessions**. The course is based on **practical application of evidence-based theory** using an **integrative approach to learning**. CALA is an international, Canadian based company providing excellence in vertical water training. The CALA holistic approach encourages **the body to move, the mind to discover and the spirit to soar**. Recognized as the **gold standard** in vertical water training, CALA provides **solid research based programs in both deep and chest deep water** to meet the **diverse needs of our communities**.

- ✓ This comprehensive course introduces the essential tools necessary to design and lead safe, effective, holistic vertical water training classes
- ✓ The course content meets the needs of experienced fitness professional as well as aerobic instructors, post rehabilitation specialists, personal trainers, coaches, athletes, lifeguards, participants and aspiring leaders; and exceeds the Canadian Provincial and Federal Guidelines and Standards
- ✓ The course is accredited by many international, national and provincial fitness organizations.
