Dive into excellence with the **Canadian Aquafitness Leaders Alliance's** comprehensive training.

- Recognized as the gold standard in vertical water training, these courses employ a holistic approach that engages body, mind, and spirit.
- Graduates emerge prepared to meet diverse community needs with research-based programs in both deep and chest-deep water.

The **Vertical Water Training prerequisite course** lays a solid foundation, teaching participants how to harness water's unique properties for optimal training results in chest deep and deep water.

The **Group Aquafitness Specialty course** hones leadership skills specific to aquatic group fitness settings in chest deep and deep water.
